

The **Healthy Communities Consortium** presents...

Engaging Your Community

A Community Engagement Workshop

Monday, February 8th 2010

9:30 am to 3:30pm

Metro Hall, 55 John St. Toronto

What?

This free interactive, day long workshop is available to organizations and groups who are working with or interested in the Healthy Communities partnerships.

Who?

Facilitated by Healthy Communities Support Services, Ontario Healthy Communities Coalition and Health Promotion Hub, Health Nexus.

How?

Learn together through networking, small group activities, one-on-one interviews and formal presentations with opportunities for you to learn about...

- Examples of what others are doing to engage community members
 - Engagement strategies that other communities have used (including best practices and key factors for success)
 - Links between community engagement, health promotion and the determinants of health
 - Ways to reach out to community members in specific sectors and regions
 - Share community engagement tools and resources
-
